

## Annual Report 202211 USSEA

Since our founding in 2017 we have focused our efforts on developing resources to meet the needs of people who are supporting learning experiences for beginning skateboarders.

Only in 2022 did we begin to provide learning opportunities for educators with our USSEA Certified Skateboard Educator Program.

Membership and examination revenues and expenses through November, 2022 have been as follows:

	<b>2017</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>	<b>2021</b>	<b>2022 Nov</b>
Revenues	\$0.00	\$9.21	\$329.50	\$677.78	\$1,200.92	\$14,350.38
Expenses	\$21,587.36	\$91,690.73	\$95,702.62	\$62,269.36	\$3,660.05	\$23,063.99
<b>Net</b>	<b>-\$21,587.36</b>	<b>-\$91,681.52</b>	<b>-\$95,364.91</b>	<b>-\$61,591.58</b>	<b>-\$2,459.13</b>	<b>-\$18,713.61</b>

Nearly all expenses have been for curriculum development and platform and process creation.

The shortfalls to-date have been covered by generous loans from our founders.

In 2023 we will be formally launching our membership drive and plan to be certifying hundreds and hundreds of skateboard educators, increasing our revenues to well over \$100,000.
